Crispy on the
outside, **juicy**
on the inside, and
seasoned to the bone!
We use only prime
wings—the most tender,
meaty, and flavorful part of
the chicken—sourced for their
superior quality and consistency.
These wings are perfect for our
double-fry technique, which creates a
lighter, crispier texture while locking
in juices. The result? A satisfying crunch
and an explosion of bold, savory flavor with
every bite.
